RENTAL POLICIES

Reservations:

- There is no charge to the client to place backings on hold. We recommend that you call us to check availability and condition. If a backing is not available, our helpful staff can usually suggest an alternative.

Pricing:

- Rental rates are based upon the width of the backing, the length of the rental and the location where backing is being used. The minimum rental period is 7 working days. Discounts are available for longer rental periods.

Late Returns:

- The client is responsible for returning the backing to JC Backings by the scheduled return date. If the backing is not in our warehouse by that date a daily late fee will be charged to the client.

Payment & Insurance:

- We accept Purchase Orders from approved clients, a Company Check, Cash or Zelle. No credit cards are accepted. C.O.D. clients must also provide a deposit check on all Photo Backing rentals.
- All C.O.D. clients must provide a Certificate of Insurance naming JC Backings Corporation as additional insured on their liability policy.

Cancellation:

- There is no charge for canceling a backing “hold” prior to the backing being picked up.
